

Giving birth at the Private Clinic Döbling

Due to a survey carried out by the Association of Consumer Rights („VKI“) the obstetric department of the Private Clinic Döbling has been chosen the most popular birth house of Austria. We invite mothers-to-be to give birth to their children in a safe, comfortable and pleasant atmosphere and we offer them first-class medical service in combination with loving care and hotel comfort. Safety for mother and child are of crucial importance for us, therefore a gynaecologist, anaesthetist and a paediatrician are at your disposal at any time.

Birth Package

The birth package includes following services and can be individually extended:

- 5 days' stay in a double room
- Fees for gynaecologist, neonatologist, midwife
- Baby care and breast feeding counselling
- Anaesthetist (in case of Caesarean, epidural anaesthesia)
- Postnatal gymnastics and massage (three times each)

Examinations of the newborn baby included in the price:

Hip ultrasound/hip joint screening, examination of kidneys and urinary system, hearing screening.

Price/Person: EUR 6,950.00
